**You are part of the Global Green  
Council.**

**You must decide: who deserves  
support to save the planet?**

Use your voice. Fight for your cause. Make it count.

# You will play as:

- Youth activists
- Green tech start-up
- NGO protecting forests
- Government eco-department
- Local village in crisis
- Urban designers for green cities

**Convince the Council to fund your initiative.  
Use arguments. Debate. Make your voice heard.**

# The game:

- 1 Get your character card
- 2 Prepare your pitch
- 3 Debate around the table
- 4 Vote and reflect
- (5 Optional: The twist round...)

# Your pitch:

What problem are you trying to solve?

- Why is this problem important for the planet?

What exactly do you want to do?

- What is your plan or solution?

Why is your idea better or different than others?

- What makes your project unique or special?

Who will benefit from your project?

- How will people, animals or nature be helped?

What do you need to make it happen?

- Money? Support? People? Technology?

What will happen if you don't get support?

- Why is it important to act now?

# The council discussion

- ? Which project is most urgent?
- ? Should we fund innovation or preservation?
- ? What would you choose if you could only support one?

**Breaking News! The global budget  
has been cut by 50%.**

**You must quickly adjust your  
priorities.**

**What will you sacrifice?**

# What did you learn about:

- ✓ the world?
- ✓ sustainability?
- ✓ persuasive speaking?
